

ADA Information

The Santee Lakes Recreation Preserve is dedicated to ensuring that all recreation programs, services, benefits, activities and facilities operated or funded by the Preserve are fully accessible to and usable by people with disabilities.

The Preserve is a self-funding department in the Padre Dam Municipal Water District. The District's HR department administers the implementation of ADA Standards and upgrades to meet ADA requirements under the State and Federal law and in accordance with the District's Americans with Disabilities Act (ADA) Transition Plan.
